

Pupil Premium Report to Parents

Principles:

At Rodings Primary School:

- We ensure that teaching and learning opportunities meet the needs of all the pupils,
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed,
- In making provision for socially disadvantaged pupils, we recognize that not all pupils who receive free school meals will be socially disadvantaged,
- We also recognize that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupils or groups of pupils the school has legitimately identified as being socially disadvantaged,
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. This may mean that not all children receiving free school meals will be in receipt of pupil premium interventions.

Provision

- 1:1 tuition to close the gap and accelerate learning,
- LSA support either 1:1 or in small groups,
- Paying partially or in full for educational visits,
- Purchasing relevant materials and resources to help raise standards especially in Maths and English,

- All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. The main focus will be English and Maths.
- Information about how the Pupil Premium money has been spent and the impact it has had on 'narrowing the gap' will be published on the schools website.
