

## Primary PE and Sport Premium Information

As part of the 2012 legacy the Government has committed to providing a ring-fenced amount of money to primary schools to support and develop PE and sport within schools. Schools are able to decide how to spend it based on the needs of their pupils and staff. The Governments aims are:

- To improve the quality of existing PE teaching through continuing professional learning in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports
- To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence
- To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce
- Schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement

In 2017-18 Rodings Primary School received £18,410
