

Rodings Primary School Newsletter

09/03/2018

www.scopay.com/rodingspri.essex for on-line payments

Dear Parents and Carers,

Today, you will receive our new Learning Conference report about your child. There is a more in depth explanation about Learning Conferences in the report but essentially it is a mid year check on your child's current attainment, effort and behaviour. I must admit that the Learning Conferences should have been with you in February but Ofsted, snow and staff illness has delayed their publication, as the Learning Conferences are actually written with the children. I hope you find them a useful addition to the current information you get about your child and there will be an opportunity to discuss them at the forthcoming Learning Consultations.

Class DoJo

Class Dojo has been a great success as we have had so many positive comments about the improved communication between school and home. However, can I politely ask that when sending a message you consider the time of day and avoid sending messages late at night and in the early hours. Urgent and emergency messages should not be sent through Dojo as it is not constantly monitored.

Car Sharing Network

I would like to see if it is possible to set up a informal car sharing network to help reduce the number of cars outside the school. Particularly, I'm thinking about villages that are not served by the school transport system. If you are interested please email me at mr.raraty@rodingsprimary.co.uk with the subject line of 'Car Sharing' stating where you live, how many children you are already driving to school and how many spare car spaces you have. I will then try and link families together to make an informal arrangement.

ScoPay

Please be aware that the online payment system no longer charges to make a payment.

Have a lovely weekend!

Mr Raraty

Message from Rodings Board of Governors

It hardly seems possible that it was only just over a month ago when our school was subject to the scrutiny of a long awaited and overdue Ofsted inspection. The school leadership team and the governors have already started discussing the areas to develop further and we continue to make plans to move the school forward. We will keep parents and pupils updated and as always, if you have any questions, please just ask!

The Governors would like to thank the entire school staff - both behind the scenes and in the forefront - for the wonderful atmosphere of respect, enjoyment, care, confidence and challenge which shines through daily and with which our Ofsted inspector was quite rightly very impressed. An excellent Ofsted report such as ours does not happen without the commitment of all staff and there were many extremely positive and lovely comments from the inspector about the care and enthusiasm of our school staff which unfortunately could not make the final written report. I know I speak for all governors when I say that we all feel very proud to be involved with such a great team of people.

I also want to take this opportunity to thank my fellow governors for giving up their own valuable time and for their constant support for the school.

A massive 'thank you' should also go to our clerk, Mrs Julie Parmenter, who organises and supports us so well and we hope that she was pleased Ofsted visited us before she retires at Easter!

Steph Green

Chair of Governors

Parents Ofsted Briefing

Thursday 15th March 7.00pm

Mr Raraty will be discussing our recent Ofsted visit and subsequent report and answering any questions you may have,

Please come along to celebrate the success of the school.

Our rescheduled SRE evening will now be held on 6th June at 7.00pm.

Sports Relief

Friday 23rd March

Children will be allowed to wear sports kit for the day on Friday 23rd March for a donation of £1 which will go to Sports Relief.

Mr Wright is organising a fun 'sporty' day for everyone.

Phonics Screening Information Evening

Monday 26th March 7.00pm

We would like to invite Year 1 parents to an information evening about the Phonics Screening Check that your child will complete in June. This is a national test where children's phonic knowledge and ability to decode words is assessed. I will share some information with you about the test; what it looks like and how we are preparing the children to reach their full potential.

The evening will be on Monday 26th March at 7:00pm.
